

LIST OF COLORADO ONSITE MEDICAL WASTE SERVICE PROVIDERS

March 2013

Colorado Department
of Public Health
and Environment

Who should use this list?

This list was compiled for health care facilities such as hospitals, nursing homes, clinics, physician's offices, and others to help them comply with solid and hazardous waste regulations. Included in the list are companies known by the Colorado Department of Public Health and Environment to offer onsite waste services to health care facilities in Colorado. The Colorado Department of Public Health and Environment neither recommends, endorses nor certifies the services of the companies listed.

Can I check the compliance history of a waste service provider?

Yes. The Colorado Department of Public Health & Environment keeps hazardous waste and solid waste compliance files (permits, inspections, enforcement actions and related information) for regulated facilities. You are encouraged to review the permitting and compliance history of a waste service provider before making a selection. To request a review of the solid and/or hazardous waste files, please contact:

Diana Huber, Hazardous Materials and Waste Management Division
Denver Metro: 303.692.3331
Toll Free: 1 (888) 569.1831, ext. 3331
Email: diana.huber@state.co.us

How do I get my disposal company's name on the list?

To add your company's name to the list or to request other changes, please contact Lillian Gonzalez at: lillian.gonzalez@state.co.us

Questions?

Contact the Colorado Department of Public Health and Environment's solid and hazardous waste technical assistance line at 303.692.3320 or toll free at 888.569.1831 x3320 or visit us online at:
